Creating your GW NETID/E-Mail account

To create your NetID, visit the GW Account Center (http://helpdesk.gwu.edu/accounts) and click on ‘Create NetID.’ (You will need your GWid to create your NetID.)

Your NetID also serves as your GW E-Mail address. For example, if your NetID is janedoe, your GW E-Mail address is janedoe@gwmail.gwu.edu.

Your NetID provides access to many online services, such as:

- Logging into the MyGW Portal (http://my.gwu.edu/)
- Logging into your GWMail account (through the MyGW portal)
- Logging into Blackboard (online course management system)
- Connecting to GWireless (wireless Internet on campus)
- Creating your Academic Technologies G1 Account (campus computer lab access)
- Sending/Sharing Web Pages
