

Announcing the Elliott School Student Support Award Application

Elliott undergraduate and graduate students are eligible to apply for financial support for the purpose of advancing the mission of the school and helping students attain their personal, academic, and career goals. Proposed activities include but are not limited to conference, capstone, language acquisition, research and unpaid internship support. ***Requests for tuition and fee assistance cannot be considered.***

Guidelines

- Must be currently enrolled as a full or part-time student.
- The proposed activity must occur in the fall 2020, spring 2021, or summer 2021 semesters.
- The proposed activity must already be confirmed and you must provide supporting documentation of your participation. (For example: offer letters for unpaid internships, conference proposal acceptances, and class rosters for learning resources).
- Average award amount \$300-\$500. However, award amounts may vary based on type of request, budget submitted, and volume of applications.
- Students must be in good academic standing.
- Students must disclose if they are receiving funding from other University and/or external sources.
- If applying for virtual international internship, the Office of Graduate Student Services (GSS) requires additional documentation. Consult the office directly.
- Capstone recipients will receive a reimbursement and must include itemized receipts. All other recipients will receive a stipend. A stipend is a taxable scholarship payment awarded to cover expenses and require no services but is intended to support your academic and career goals. *Due to processing time, students should not expect to receive the stipend prior to the proposed activity/request.*
- Students must adhere to the [Travel, Entertainment, and Business Expense Reimbursement Policy](#).
- Students must adhere to the [Student Travel Grants & Reimbursements Guidance](#).
- Elliott School Dean's Scholars are encouraged to apply for funding through the Undergraduate Research Award.

Application Instructions

[Applications](#) are now being accepted and the priority deadline is **Friday, January 22, 2021**

. Your application must include:

1. A narrative proposal addressing the following:
 - a. purpose of the activity/request
 - b. how the activity supports the student's personal, academic and/or career goals.
2. An itemized budget including any other supplemental funding the student is receiving and/or anticipating.

Selection

The review committee will review applications by the priority deadline. Students are encouraged to apply as soon as possible due to limited funding. Awarding will cease once funds have been exhausted.
