How to Access the Blackboard Syllabi Database

2. Under “My Communities” select **Elliott School Graduate Community**.
3. Next, on the left side bar, click **Course Syllabi**. Then select the link for **Syllabus** to enter the database.
4. Finally, you’ll enter the database. As shown below, you will find folders that link to a variety of syllabi throughout Elliott. Please note: not every syllabus is added and some may be from past semesters but it will provide you with a bit more insight when selecting your courses.
