Work Experience

Amentum (October 2021-September 2022)

Washington, DC

Analytic Tradecraft Subject Matter Expert

Supervisor: David Gootzit (703-276-7702)

Serve as the Project Manager and subject matter expert in U.S. Intelligence Community analyst tradecraft matters for the Department of Homeland Security's (DHS) Office of Intelligence and Analysis (I&A). Offer I&A personnel mentorship and guidance on intelligence product conceptualization and facilitate and instruct Structured Analytic Techniques (SATs). Work with I&A professionals within the DHS intelligence enterprise which includes component agencies and field office personnel.

CENTRA Technology, Inc. (September 2019-October 2021)

Arlington, VA

Instructor/Staff Officer

Supervisor: Stephen Bennett (301-243-0265)

Serve as Instructor for Insider Threat Training Team in the National Counterintelligence and Security Center (NCSC)/National Insider Threat Task Force (NITTF). Help develop and instruct for NITTF's flagship Hub Operations course. Serve as principal officer developing concept and implementation for mobile Hub Operations course and table top exercises.

Federal Bureau of Investigation (March 1992-August 2019)

Washington, DC

Assistant Section Chief, Cyber Intelligence Section (February 2011-August 2019)

Supervisor: Larry Karl (703-633-5359)

Handled all Assistant Section Chief responsibilities, primarily responsible for intelligence production management, section budget, personnel, policy and procedures formulation and implementation. Served as Acting Section Chief for July through August 2011 and again July through August 2012. Served as Acting Section Chief and Acting Assistant Section Chief for other FBI divisions. Corollary duty included conducting extensive intelligence analyst training for FBI, foreign governments, and U.S. private sector partners. Most recent instructing experiences included Hong Kong Police (August 2018), U.S private sector partners (September 2018, March 2018, and November 2017), and Indian Counterterrorism Police (December 2017).

Department of Homeland Security (FBI Detail)

Washington, DC

Senior Advisor (November 2016-December 2017)

Supervisor: Michael Potts

Served as a senior advisor to the DHS Deputy Undersecretary for Intelligence Operations. Helped identify areas for greater DHS and FBI analytic collaboration and developed initiatives within DHS for enhanced strategic intelligence analysis. This position was a U.S. Intelligence Community Joint Duty Assignment.

Office of the Director of National Intelligence, ODNI (Temporary Duty Assignment/TDY)

Washington, DC

Intelligence Officer (June 2015–January 2016)

Supervisor: Michael Reeves (703-275-1363)

Assigned to the Office of the Director of National Intelligence as FBI Representative to launch the Cyber Threat Intelligence Integration Center (CTIIC). Part of a team to identify and pilot the mission responsibilities of the CTIIC Current Intelligence Section (CIS). Primarily responsible for establishing protocols and drafting the CIS Cyber Threat Intelligence Summary.

Federal Bureau of Investigation (Temporary Duty Assignment/TDY)

Washington, DC & Quantico, Virginia

Instructor (June 2014–June 2015)

Supervisor: Miranda N. Sydnor (202-324-7929)

Temporary Duty Assignment to FBI's Training Division as an Instructor for intelligence analysis and tradecraft for new Special Agents and Intelligence Analysts. Worked on instructing teams for Critical Thinking, Structured Analytic Techniques, Analytic Writing, and General Intelligence. Helped draft and update instruction curriculum, particularly exercises for all instructing teams.

Federal Bureau of Investigation

Washington, DC

Unit Chief, Weapons of Mass Destruction Intelligence Analysis Section (November 2006–February 2011)

Supervisor: John P. Salata (202-324-2662)

Supervised and managed analysts in the FBI's WMD Intelligence Analysis Section (WMDIAS)/ Strategic Assessment and Threat Forecasting Unit (SATFU). Formulated unit goals and objectives, oversaw unit's intelligence production, and performed various unit and section analytical and policy projects as needed.

Served as FBI instructor for Department of Defense/Defense Threat Reduction Agency (DTRA)

Counterproliferation investigative analysis courses overseas and was primary FBI curriculum developer for advanced intelligence courses in 2011 and again in 2017.

Federal Bureau of Investigation

Washington, DC

Supervisory Intelligence Analyst, Counterintelligence Division (April 2005–November 2006)

Supervised Intelligence Analysts (IAs) in the Counterintelligence Division/Analysis Section's Middle East and Africa Unit. Had direct supervisory responsibilities for six IAs handling Iran, Arabian Peninsula, and Africa.

Federal Bureau of Investigation

Washington, DC

Intelligence Analyst (March 1992–April 2005)

Worked as a counterintelligence IA, primarily covering a significant threat country (1996 – 2005). Authored intelligence assessments, provided operational and tactical investigative support, gave oral presentations, and performed other analytic duties. Periodically instructed on various foreign counterintelligence threats to FBI, Department of Defense, other U.S. Government agencies, and friendly foreign security and intelligence organizations.

National Counterintelligence Executive

Arlington, VA

Intelligence Officer (September 1994–September 1996)

Served a two-year joint duty assignment at what was then named the National Counterintelligence Center (currently the National Counterintelligence and Security Center). Served as a liaison officer within the U.S. Intelligence Community and helped identify customers for intelligence products and support. Monitored the counterintelligence community performance and worked on strategic assessments and operational policy matters.

Federal Election Commission

Washington, DC

Campaign Finance Analyst (June 1987–March 1992)

Analyzed campaign finance reports filed by political action committees and political party committees. Verified compliance with US federal election laws and regulations, and had extensive interaction with the U.S. public to ensure complete and accurate compliance.

Awards
