This is a living document that compiles a list of resources for Elliott School students and alumni who are interested in learning more about law school. This guide is not an exhaustive list; however, it provides information about resources at GW, important associations as well as the application process. We understand this guide does not replace meeting with a pre-law advisor, we strongly urge students to attend workshops and panels that can provide further support.

The following information can be found on this guide:
- Resources at George Washington University
- Elliott School Pre-Law Mentors
- General Resources
- Application Process Support
- Personal Statement Examples and Guides
- Resume Guide
