Major/Departmental Advisor: _____

- A second major must first be approved by the designated major or departmental advisor in the appropriate school (except GWSB*), then by the Elliott School.
- For second majors in GWSB, students do not need a signature on this form from a GWSB advisor. However, students may consult with GWSB advisors to confirm major requirements.
- You should consult the major or departmental advisor in all matters related to the major, including special substitutions and transfer credit.
- Elliott School students do not need to fulfill G-PAC or general education requirements for other schools but must fulfill all stated prerequisites and related requirements.
- A second major in another GW school is subject to that school's policies, as outlined in the University Bulletin.

Email your completed and signed form to your assigned Elliott School advisor or advising@gwu.edu.
