Action Requested:

Add Second Major

Drop Second Major

Revise Second Major

SEAS BA Major:

SEAS Major Advisor:

A second major in the School of Engineering and Applied Sciences must first be approved by the designated departmental advisor, then by the Elliott School. Students are expected to consult the departmental advisor in all matters related to the second major, including changes, substitutions, withdrawals, and transfer of credit from other institutions. Elliott School students do not need to fulfill SEAS general curriculum, humanities, or social science requirements, but must fulfill all stated prerequisites and related requirements. Second majors in the School of Engineering and Applied Sciences are subject to SEAS policies as outlined in the University Bulletin.

Elliott School students are ineligible to pursue Bachelor of Science programs in the School of Engineering and Applied Sciences.

Table with 5 columns: Dept., Course #, Course Title, Sem./Year, Credits. Multiple empty rows for data entry.

I have reviewed the requirements of this major with the departmental advisor and I understand what I must do to complete this major. Any revisions must be approved in writing by the departmental advisor.
